

Year 2 Autumn 2 2023

Science -

We will be Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.

We will also be able to describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food

We will also be taking part in a forest school session during this unit.

DT -

Textiles - The children will create their own pouches using simple sewing skills.

English -During the term the children will be exploring poetry through the book 'Tell me a dragon'. As part of this, the children will look at modifying nouns to create pictures of the dragons in the reader's mind. They will also write a narrative about.

RE - *Why does Christmas matter to Christians?*

The children will be learning why Christmas is important to Christians. We will be visiting a local church to learn about advent and the nativity.

Geography - *why can't penguins fly*

In this enquiry children learn about the continent of Antarctica and are able to locate it in relation to all the continents and oceans of the world and compare it to their local area. Through the study of hot and cold areas of the world pupils are able to understand why Antarctica is so cold and dry. The concept of a desert is developed through a comparative study of the Sahara Desert and pupils are able to consolidate their understanding of adaptation by comparing the life of Emperor Penguins with that of Camels.

PSHE - This half term our 'health and Wellbeing' unit will be teaching the children how to keep themselves healthy.

Spellings: We will be giving the children 5 words each week to learn linked to a phonics sound. Their spelling dictation test will be each Thursday.

Maths - We will be using the Power Maths scheme of work to teach the children about addition and subtraction, across two units.

Computing - In computing this half term, we will be learning about digital photography. The children will be learning what that entails, how it has developed over recent years, as well as looking at apps and tools that allow us to create digital art.

PE - will be every Tuesday and Wednesday. Please can you ensure your child wears a PE Kit to school on those days. This half term the children will be

Music - The children will be taking part in weekly music sessions. The children will be learning about

Read Write Inc-

The children will continue to have daily RWi lessons in school. The children will take home an AR/colour banded book as well as RWi book bag book to support their reading from home.

Keep in touch through Seesaw. We would love to see some photos of your learning.
