

Year 4 - Summer 1

Science:

We will be learning all about classifying trees by their leaves and plants by their flowers. We will also learn about how humans impact the natural environment, with particular focus on habitats and littering.

DT:

At the end of this half term we will be working in groups to adapt an existing biscuit recipe, whilst taking into account the cost of the ingredients and other expenses against a set budget. We will be selling our products in a bake sale.

The children will be taught **French**, where they will explore birthdays and numbers.

Keep in touch through Seesaw. We will be sharing our learning with you at home.

Maths - We will be using the Power Maths scheme of work to teach the children about fractions and decimals.

Please check [My Maths](#) weekly for online maths homework.

RE: Christianity

Our key question is: What kind of world did Jesus want?

History:

Over the whole of Summer Term we will be learning about the Vikings.

Our key question is 'What do the Vikings want and how did Alfred help them?'

PSHE:

We will continue to look at 'Citizenship', as well as start to explore 'Economic Well Being'.

PE: Problem solving and Athletics. The children will need their PE kits on...

Orcas - Wednesday & Friday
Turtles - Tuesday & Friday

Music:

In music the children will have the opportunity to have whole class ukulele lessons.

Writing: The first text we will be exploring is 'Myth Atlas' and our outcome will be to write our own myths.

Guided Reading:

We will be developing our reading skills using 'Varjak Paw' by S.F Said.

Computing:

In computing we will be looking at programming and creating repetition in shapes. The children will create their own code to make shapes.

Trips:

We are hoping to visit Totnes to help support our Writing.
