

Physical Development

When we are using mark making tools we will try and hold them using a tripod grip. We will try and write the letters that we are learning.

We will learning some yoga moves and moving our bodies like caterpillars and butterflies.

Understanding the World

We will be using lots of different materials to build bridges and use them in our story retelling. We will be reading stories that are from other countries and looking carefully at what we can see in the pictures. We will be finding out about different jobs.

Communication and Language

As we retell The Three Billy Goats Gruff we will use different voices to pretend that we are the troll and the goats.

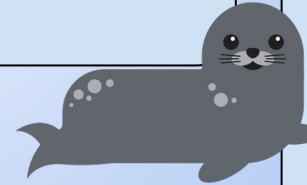

We will be watching our caterpillars change into butterflies and learning new vocabulary to describe what is happening.

Seals

Our Learning Journey

Summer 2

Literacy

We will be retelling the story 'The Three Billy Goats Gruff' and drawing our own story map. We will talk about the characters in the story and create faces and actions for the goats and the troll. We will be learning letter sounds and trying to use these letters in our writing.

Personal, Social and Emotional

We will be talking about our new reception classes and meeting the adults who will be helping us when we are in reception. We will make a book about reception that we can look at over the summer holidays.

We will get the chance to spend some time in our reception classrooms during our transition mornings in July.

Mathematics

We will record numbers using symbols and our own marks. We will be comparing the weight of objects and ordering objects by their weight. We will explore different containers to find out how much water they hold.

Challenge me at home...

Recognise the letters m a s d and t when I am looking at food packaging, my books or when I am in the shops.
