

Year 4 - Autumn

2

Science: We will be building on our understanding of hearing and develop vocabulary for describing sounds and identify different sound sources. We will learn that sounds are made by objects vibrating and that these vibrations travel through a medium to the ear so that we hear them. We will also be exploring how sounds can be changed.

Art: Our art unit this half term is Drawing: - Power Prints. This unit looks at shading and relativity and contrast. We will be practicing our drawing skills, cutting skills and printing skills, using a range of different art med

The children will be taught **French** fortnightly.

Keep in touch through Seesaw. We will be sharing our learning with you at home.

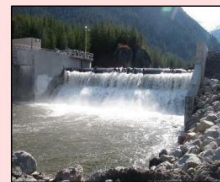

Maths - We will be using the Power Maths scheme of work to teach the children about area, addition and subtraction.

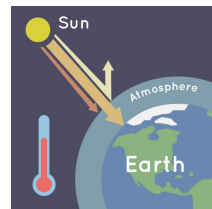

Please check [My Maths](#) weekly for online maths homework. Children should also be encouraged to play on TT Rockstars daily.

Wind

Hydro power

Earth

Solar

PE: Hockey & Dance. The children will need their PE kits on Thursday and Friday. This half term Orcas will be swimming on a Friday afternoon.

Music: Christmas performance skills.

Writing: Our first text this half term is called 'Until I Met Dudley'. This is a dual text so we will be looking at the contrast between fiction and non-fiction writing. We will also be looking at 'Cinderella of the Nile' which focuses on telling traditional tales.

Guided Reading: We will be developing our reading skills using the book 'How to Train Your Dragon'.

RE: In RE we will be looking at how people from religious and non-religious communities celebrate key festivals?

History:

In History we will be learning about the Anglo Saxons and how they took over Britain. We will be focusing on chronology and understanding the timeline.

Our key question is 'Who are the Anglo-Saxons and how do we know what was important to them?'

PSHE: We will be looking at health and wellbeing and communicating our feelings.

Computing :

The children will examine devices capable of recording digital audio. They will then be creating their own podcasts using their new skills.

The children will be visiting the Recycling Centre to complete their sustainability unit from last half term. We will also be baking gingerbread cookies and making Hot chocolate Reindeer Cones for our Christmas Fete.
